

This year we celebrate leadership by hearing how our local churches are becoming "verbs" rather than "nouns." We will also celebrate the leadership of **Brenda Lear** as our District Superintendent for the past 7 years. She will retire on June 30. We might even get to meet our newly appointed District Superintendent! This year's celebration will include hearing Brenda preach, original music from Emily and Steve Earnshaw, seeing video presentations from local churches and cooperative parishes about their ministry in their communities and in the world, and being honored with music from some of the many talented individuals and groups from our district churches.

On-site daycare, at no additional cost, is available.
